THE RUE SEED CO.

418

South Adams Street
PEORIA, ILLINOIS

No reputable seedsman now warrants seeds in any respect but it must be apparent to every thinking person that no reputable seedsman can afford to send out poor or worthless seed. It would be a sure way of destroying his business. We wish to append the following customary and standard notice: While we exercise great care to have all seeds pure and reliable, we do not give any warranty, express or implied, and we will not be responsible in any way for the crop. If the purchaser does not accept the goods on these terms and conditions, they must be returned at once, and the money that has been paid for same will be refunded.

Prices are subject to change without notice.

Prices on grass seeds, onion sets and larger quantities of seeds will be sent on request.

And regular parcel post charges if ordering by mail.

DEAR GARDEN LOVER:

IT IS FINE to have you come to see us again this spring. We wish we could have seen your gardens last year. The Next best thing is to have you **TELL US OF YOUR RESULTS.**

We have heard a lot about the **BIG, SWEET TENDER PEAS** and that **WONDERFUL SWEET CORN** right off the stalk, and into your kettle—**AND BEANS**—how they did grow and bear, especially the **FORDHOOD LIMAS** and the **STRINGLESS GREEN PODS.**

Again you will find the **VAUGHAN FLOWER SEEDS** at our store. They grow, we know, we watch them sprout in our tester. **THEY PRODUCE** true to name and type. Such **COLORS**, such **SIZES**, such **FRAGRANCE**.

We are almost sure to have **YOUR KIND**, but if not we can usually find it. We want you to **RE-MEMBER US** as the Folk who want to help you make the **BEST GARDEN IN CENTRAL ILLINOIS.**

THE RUE SEED CO., Inc.

E. A. Johnson, President

Mrs. Flora C. Rue, Vice-President

Mrs Mary F. Johnson, Sec.-Treas.
